

Since 1995, Donna Dailey, the founder of Solutions 4 Child Care, has worked closely with child care owners to increase revenues, decrease expenses, and increase the profitability and value of their child care business. The goal is the safety, development, and education of the children served. However, a child care business should also provide financial returns for the owner. Solutions 4 Child Care's goal is to assist child care business owners in realizing these profits. Solutions 4 Child Care focuses on assisting Child Care business owners with "The Business Side of Child Care."

Donna Dailey – Founder of Solutions 4 Child Care, President and Broker in Charge, has over 20 years of real estate experience in commercial, residential, investment properties, and business sales. Donna has been helping people buy, sell, and improve child care businesses since 1995. Donna has completed extensive Child Care Industry training, including laws, regulations, and state compliance requirements. Additionally, she has extensive experience in analyzing child care business operations and providing advice and assistance designed to improve the profitability and value of the child care business.
